OUR GUARANTEES

- **Taking into account fluctuations** of your business and seasonal variations
- **We respect deadlines and speed-to-market of your products**, for all your sales channels, including your e-shop
- **Constantly seeking to optimize your supply chain and your costs**

OUR EXPERTISE

- **Transport** on hangers, GOH on ULD or on container (bars or chains), wardrobe boxes, parcels, bulk.

- **Consolidation** of your single or multiple procurement flows: Multi-country, multi-supplier.

- **Extensive knowledge of the regulations** affecting your products, whatever the country.
- **Reliable QC to insure your supply chain:** supplier factory audits, production monitoring, verification of goods before loading, laboratory tests, obtaining standards. **Background task inspections** on Bansard logistics platforms.
- **Logistics services:** reception, cross-docking, consolidation / de-consolidation, warehousing, palletising, container loading.
- **Order picking:** piece picking, sorting by reference, multi-reference packages, putting on hangers, labelling, packaging.
- **Re-conditioning your goods** Washing, ironing, slip-covering, repairs, and alterations to present items ready for sale at the destination.
- **Sophisticated IT solutions, PO / Vendor Management**, to assist you in steering your flow and managing the different people involved in your supply chain. Dashboards for perfect visibility and traceability of your supply chain.

- **AEO certified, management of the documentary and regulatory aspects of your shipments**

In-depth knowledge of the regulations affecting your products according to country.

A personalized approach to optimize your customs clearance solutions.

- **Experts in the e-commerce supply chain**

A range of solutions for your e-shop on the domestic market and abroad.

Proven experience in the clothing sector.
