## OUR GUARANTEES

- ▶ **Selection of the right equipment and analysis** of the air, sea and land routes
- ▶ **We respect deadlines** and offer you **flexibility** for all your over-length cargoes
- ▶ **Constantly seeking** to optimize your supply chain and your costs

## OUR EXPERTISE

- Our **Regular Air Freight service**, offering flexibility and transport capacity with worldwide BSA and longtime network.
- **TIME-CRITICAL Solution:** Next Flight Out (NFO), one of the most popular choice by selecting the next available flight (commercial or cargo) from your city of departure.
- **On Board Courier (OBC)**, also known as Hand Carry service is our **express service 24/7 – 365 days** using commercial flights to move your shipment around the world.

- **AOG service** with **dedicated aircraft** and crew to transport your goods directly to your destination, rate quotes **within 24 hours** to find charter flights from all over the world
- Safe & secure solutions for your **temperature controlled, Dangerous Cargo** and HAMZAT
- Researching to find you the **best technical and financial solutions.**

- Expert knowledge of **customs formalities**, regulatory compliance and management of specific authorizations depending on the project and countries.
- **Multi-party operations**, also known as “triangular” operations implementing all the necessary operations and procedures: taxation, customs, documentary, transportation and logistics aspects
- Bansard provides worldwide coverage **services 24/7/365** with our **3 Regional Bansard's Control towers** to give you 360° VISIBILITY (located in Paris, Miami, Shanghai)
